Thank you for your inquiry into our restaurant for your special event. We have an event planner on staff as well as a very professional wait staff to assist your every need.

I have enclosed several menus as well as our catering menu. Please remember that these are sample menus and we can customize a special menu for you.

Our upstairs reception venue can accommodate 110 guests for a sit down dinner and 200 guests for a buffet/cocktail reception. We require a 50 guest minimum. Receptions are scheduled in 4 hour blocks, each additional hour is \$250. They may be scheduled to end or start at 5pm.

Our menus include a scrumptious wedding cake, which you choose from samples.

We offer a professional DJ for \$500 for 4 hours.

We base all alcohol upon consumption. We offer several options: open bar; limited bar with house brand liquor, house wine & beer; limited bar with beer & wine only; a dollar amount bar and also a cash bar. The alcohol bill is paid at the end of the event.

Please feel free to call me with any questions or comments that you may have. At your convenience, we can set up an appointment for you to visit our venue and choose your menu selections.

I look forward to hearing from you soon.

Best Regards,

Cathy Madigan
